

## CARE GUIDE FOR ACRYLIC SINKS

Your Karran sink is made from a unique 100% acrylic resin that has been researched and produced to meet the specific demands of the kitchen. This material is more resistant to surface damage than other materials but like most things, better care will make for a longer life.

### CLEANING

Our recommendation for cleaning your Karran sink is a 3M Scotch-Brite® pad and Comet®, Ajax® or any other powder detergent. The special satin finish of this sink will improve with the use of powder detergents, but all liquid detergents will also prove satisfactory. Please be careful with drain cleaners. Make sure that the cleaning agent goes down the waste outlet and that it does not sit in the basin. Some drain cleaners react relatively violently as one would expect by the very nature of the requirement of the product and instructions for handling are always given precisely on the product. You may clean your sink periodically with a diluted bleach solution.

### CARE

This material is resistant to heat and is unlikely to mark below temperatures of 360°F. This means, in practical terms, that pots in which water and vegetables for example are boiled could be left on your sink for a limited (short) period of time without causing damage. However extended exposure to a hot pot will cause damage. Our recommendation is to **always** let hot items cool before placing them in your sink. Alternatively run some cold water when placing a hot pot into the sink. By doing this there is no chance of marking your sink as the hot item is instantly cooled.

Scratches and small chips from sharp utensils may occur over time through use but they can easily be removed by sanding with a 3M Scotch-Brite® pad for fine scratches, and sandpaper for deeper scratches and small chips. Use a coarse sandpaper (100 or 150 grit) to start, finishing off with fine sandpaper and a 3M Scotch-Brite® pad. For deep chips please call Karran USA (866-452-7726) to order a sink repair kit.

## WARRANTY FOR ACRYLIC UNDERMOUNT SINKS

Plexicor (USA) Inc., (hereto known as the Company) warrants each new solid surface integral undermount sink to be free from defects in workmanship and materials when used under normal conditions and maintained properly. This warranty applies to any Karran solid surface integral undermount sink but does not apply to damages caused by the following:

1. Accidents, physical abuse or misuse
2. Damage from heat
3. Breakage not due to a defect in the manufacture of the material
4. Improper care and maintenance
5. The alteration or repair of any Karran product by anyone who is not authorized by the company in writing

The warranty shall be in effect for a period of 50 years from the date of installation into the residential or commercial application. This shall be instead of any other warranty, either express or implied, including but not limited to, any implied warranty of merchantability or fitness for a particular purpose. The only company providing this warranty is Plexicor (USA) Inc. and no distributor or retailer is providing any warranty, either express or implied. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

The Company will repair or replace, at its option, any Karran solid surface integral undermount sink that the Company has found to contain a manufacturing defect and is within the period of the warranty. The liability of the Company, under this warranty, is limited solely to the repair or replacement of the Karran solid surface sink within the warranty period. Should the sink, at the company's option, be replaced, the Company shall provide \$300 (three hundred dollars) only towards the installation of another Karran solid surface sink. Should the sink needing replacement be undermounted in a solid surface or stone top, the replacement sink may be an undermount sink. Should the sink needing replacement be undermounted in a laminate top, the replacement sink will be a Karran top mount sink. The Company shall not be liable, under any circumstances, for consequential or incidental damages, including, but not limited to, personal injury or labor costs in excess of \$300 (three hundred dollars) per sink. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives the original purchaser specific legal rights and you may have other rights that vary from state to state.

Under no circumstances will the Company be responsible for any expense in connection with any repairs made by anyone other than an authorized representative of the Company and Karran solid surface products. All repairs must be specifically authorized by the Company in writing before being undertaken.

**Please Note: Your sink is automatically warranted. You are not required to submit any warranty or purchase information to the Company.**
